

## New England District Training Oversight

In accordance with Article 114, Section 1, NATCA New England and the Boston District agree to form a Training Oversight Group to analyze and maximize regional Air Traffic Control Training. Decision making and documentation will be accomplished by using Article 114, Section 2.

The oversight group will be comprised of the District Manager for Support (DMS) and one (1) NATCA regional appointment. This group will have access to facility training data and will conduct monthly telcon's with legacy New England facilities to assess training progress and assist the facilities in identifying areas of issue. The group may be tasked with specific tasks by the Boston District General Manager (GM) and NATCA New England Alternate Regional Vice President (ARVP)

Exclusionary Area: This group is not expected to have a role in Recurrent Training or Training Review Boards (TRB).

The Oversight group will report its findings/progress/health of facility training jointly to the Boston District GM and NATCA New England ARVP monthly by email, quarterly by verbal briefing.

The oversight group may make recommendations to facilities for improvements. Any recommendations will be included in the joint briefing(s). The group may also make recommendation to the GM and ARVP for district wide or facility-by-facility improvements.

This Scope may be readdressed after one (1) year to correct Scope Drift, exclusionary items, roles and responsibilities, or continuance. Either party may withdraw from this agreement at any time.
